

NAZI

Posted on February 3, 2024 by staff

The [Nazi symbol](#), commonly known as the swastika, is a powerful emblem associated with the ideology and atrocities of the Nazi regime in Germany during the 20th century. Originally an ancient religious symbol with positive connotations in various cultures, the swastika was appropriated by the Nazi Party under Adolf Hitler's leadership and transformed into a symbol of hate, racism, and genocide. It was prominently used on the Nazi flag, military insignia, and propaganda materials during their rule from 1933 to 1945. Today, the swastika remains widely recognized as a [symbol](#) of Nazi tyranny and is banned in several countries due to its association with hatred and crimes against humanity.
